

Mahtomedi Public Schools August 15 ·

We love this new outdoor learning space for our students! 🌳❤️🌳

Julie Comfort, STEM Specialist at Wildwood Elementary, Jeanne Zlonis, Mahtomedi Garden Club, and Luigi Viggiano, senior at Mahtomedi High School, checked out the new Wildwood Elementary Outdoor Classroom this week.

The outdoor classroom was designed and built by Viggiano in collaboration with the Mahtomedi Garden Club for his Eagle Scout project!
